

Please do not allow "Stolen Honor" to be aired, it is a threat to our democracy and it weakens the entire structure of the media and of this country. Airing this would degrade all that our country is built upon. No matter what my political stand is, I don't see this as productive nor do I see it as progressive, in fact, it throws the developments in this country backwards.

I was one of the single women who did not vote in the last election. I now live in a battleground state and I am certainly going to vote this time around. YOUR decisions impact not only me but my peers and my family.
